We offer competency based skills to serve all customers in the Building Construction & Maintenance Industry.

AN ISO CERTIFIED COMPANY

# ABOUT US

At AL FAN AL GHARBI BLDG.CONT L.L.C, our aim is to help you transform your home or commercial property by adding color and beauty to your world. We believe that revitalizing your property is the first step to revitalizing your life. Established with a passion for enhancing the longevity and functionality of structures, we bring a wealth of expertise and a commitment to excellence in every project.

Building Beyond Boundaries is not just a slogan for us; it's a guiding principle that defines our approach to every project. We transcend limitations, push the boundaries of conventional practices, and envision possibilities beyond the ordinary. We strive to create spaces that not only meet the needs of today but also anticipate the challenges of tomorrow.

We provide all sorts of building maintenance and construction services. We are also specialized in painting contracting with highly skilled and professionally trained employees. We have a separate team for epoxy floor coating with 10 years of experience in Saudi Arabia. We are approved applicator of FOSROC, BASF, JOTUN, BERGER, NATIONAL PAINTS, ETC. We offer competent and competency based skills, designed to serve all customers in the industrial, commercial and domestic markets with high quality and trust. We have a comprehensive on site quality management system for each and every work we do. This ensures the highest quality at all stages of the work. Moreover, we make sure to use the highest quality products which will satisfy the customer needs.

## OUR MISSION

Our mission is to provide high quality work using skilled employees at reasonable pricing to ensure the customer satisfaction in the building construction & maintenance industry.

## OUR VISION

Our vision is to extend our roots to all parts of the United Arab Emirates and to be identified as the best service provider in the country.

## OUR VALUE

- **Trust** - We keep utmost importance to the trust our customers have in us and we value it over everything
- **Quality** - We value our work, and we make sure all our projects meet extreme quality standards which is the reason why our customers choose us over other service providers
- **Safety** - Ensuring the safety and well-being of our employees are our most important responsibility and we make sure safety protocols are followed on regular basis.
